## SUMMARY

Dean's List graduate of Ball State University (2010), and College of DuPage (expected 2013), with diverse professional experience in graphic design, web design, photography, audio recording, post production, logistics, retail, and manufacturing operations. Has the ability to focus on the task at hand and the tenacity to see projects through completion. Computer skills in Adobe Creative Suite, Pro Tools, Microsoft Office, HTML, CSS, Javascript, Wordpress, PHP and MySQL.

## EDUCATION

### Associate in Applied Science, Graphic Design

#### College of DuPage, Glen Ellyn, IL (expected 2013)

- Print experience including flyers, brochures, posters, labels, and magazine layouts.
- Web experience including layout, HTML/CSS markup, banner campaigns, Javascript enhancement, Wordpress templates, and PHP/MySQL development.
- Illustration utilizing photography, photo manipulation, vector, and traditional media.

### Bachelor of Arts, Telecommunications Production

#### Ball State University, Muncie, IN 2010

- Audio Capstone Project — completely replaced audio for two intro cinematics (World of Warcraft Burning Crusade and Wrath of the Lich King) including field recording, foley recording, ADR, and mixing of Stereo and 5.1 surround.
- Mixed stereo and 5.1 surround on a Pro Tools HD system for 2 tracks of Catch Curtis' debut album.
- Facilitated recording session for a local band, including studio setup, tear down, recording and stereo/surround mixing, in collaboration with fellow students.
- Wrote the script and recorded sound bites for a campus health awareness podcast.
- Deans' List 2008-10
- 30 hours of coursework in Japanese Language and Culture

## PREVIOUS WORK

### United Parcel Service — Hodgkins, IL

#### Part Time Supervisor (October, 2010 – March, 2011)

- Prepared HUB Action Summary documents, seal controls, and trailers for loaders.
- Maintained accurate updates of trailer fill percentages in the HUB computer system.
- Performed routine training/certification on dock personnel.
- Assisted other supervisors as needed.

#### Loader (August, 2010 – October, 2010)

- Ensured timeliness and accuracy in the UPS pipeline.

### Guitar Center — Villa Park, IL

#### Pro Audio Sales Associate (2010)

- Provided knowledge and assistance to customers, and maintained the working condition of the department.

### Staffmark Temp at RR Donnelly — Hillside, IL Printing Plant

#### Bindery Loader (2008)

- Displayed attention to detail while keeping the production lines running smoothly.

## PROFESSIONAL DEVELOPMENT

- UPS Cornerstone Training Program
- UPS New Supervisor Orientation Training Program

## ADDITIONAL ACHIEVEMENTS

### Louis Armstrong Jazz Award — 2006 (Lead Alto Saxophone)

"In recognition of outstanding achievement by an instrumentalist in the field of jazz, as demonstrated through superior musicianship, character, and individual creativity."

### Contributing member of various organized music groups (Alto Sax) — 1995-2006

### Honor Roll Student — Lyons Township High School — 2002-06
